

## **Comfort Lakes Association Annual Meeting**

**May 1, 2025, 6:30pm**

### **Minutes**

Wyoming United Methodist Church, Wyoming, MN

President Mike Crepeau called the meeting to order at 6:40 pm and welcomed all.

Mike introduced the Board Members in attendance including the newest Board Member Christine Wawrzaszek, who had recently been voted in.

Speakers:

Blayne Eineicher (CLFLWD Project Coordinator) presented a recap of 2024 monitoring reports of Comfort and Little Comfort Lakes as well as ongoing and future water quality projects for both lakes.

Aiden Read (CLFLWD Land Management Specialist) presented information on Natural Shorelines and CLFLWD Landowner Assistance programs. He also spoke on the importance of natural shorelines for water quality and overall lake health.

Susanna Willson Witkowski (Water Resource Manager) and Madelyn Kinny (AIS Specialist/Lead Watercraft Inspector) are both from the Chisago County Environmental Services.

Susanna and Madelyn explained the AIS and water resource programs available through Chisago County and how Chisago County can help us.

Each of the speakers took a few questions from the audience.

Mike adjourned the meeting at approximately 7:45 pm.
